

Borealis Breads *Baguettes, Rolls and Focaccia*

Baguettes come in three varieties: The *Classic Sourdough*, made the old way, the *French Baguette*, made with yeast, and the *Rustic Baguette*, made using Maine-grown whole wheat. Baguettes weigh 16 ounces and are about 24 inches long.

The **Cheese Ficelle** is a slender baguette sprinkled with cheese. The **Demi-Baguette** is half the size of a French Baguette.

Bulkie Rolls come in whole wheat or white, made from the same dough as baguettes. These 4-ounce rolls come in 1/2-dozen bags.

Three-Cheese Focaccia is a round, 16-ounce chewy focaccia loaf that is covered with Asiago, Romano and Parmesan cheese, with cracked pepper and garlic.

We also make round **Par-Bake Focaccia** that require just a few minutes in a hot oven to be brown and ready to serve plain or with a topping. These come in 3-packs of 8-ounce round loaves and 2-packs of 16-ounce round loaves.

Our **Sub Rolls** are made from baguette dough. These soft 6-ounce sandwich rolls come in bags of six rolls.

We also make small, light 1.5-ounce **French Dinner Rolls** that are made from baguette dough, great to serve with soup.

Our 2.25-ounce **Sourdough Dinner Rolls** come in dozen or 1/2-dozen bags for food service, or 1/2-dozen bagged and labeled for retail sale.
